***IS DEATH TOO A MISOGYNIST?
A WOMAN-HATER!***

*as it might suggests, like in a macabre story, a page
<http://www.vdc-sy.info/index.php/en/> VDC,
VIOLATIONS DOCUMENTATION CENTER, SIRYA
serving as a statistical source for an interesting
presentation*

<http://imgur.com/gallery/snvz60s>

*of the civilian casualties' number in Syria, during the
period 2011-2016*

*It shows first number of the victims in form of the
monochrome dots*

TOTAL: 92.000

afterwards, colouring them to their gender:

CHILDREN: 15.414

MEN: 66.785

and, the least!

WOMEN: 9.801

WHAT SAYS TO THIS A GENDER-MANIA?

**DOES IT ASK FOR THE GENDER EQUALITY AT ANY
COST?**

.....

**OR AT LAST ARE HEARD THE VOICES
O F T H E R E A S O N
awakening to itself!**
