**ROHINGYA?**

**WHO ON EARTH KNOWS WHO OR WHAT IS IT?**

***Aung San Suu Kyi! Shame on you!  
We cried for you (in all semantics); for years!***

***Aung San Suu Kyi, we used to dedicate to you songs!  
Aung San Suu Kyi, do you know who is this girl?  
Aung San Suu Kyi, do you know her, or the name of her people?  
Is she a human being just as you too used to be?  
Or she can never be?***

***Aung San Suu Kyi, what happened to your democracy?  
Not to ask for your human attitude!***

***Aung San Suu Kyi, have you lost yourself?  
How about you ask this girl for help to find yourself!***
