## **FUN-DA-MENT-AL**

I reject your truth  
cos its all a lie  
reject your proof and American pie  
Reject your labels I am what I am  
Reject your democracy its all a big sham  
Reject your hypocrisy that feeds your greed  
Reject your blood I reject your breed  
Reject your queen and her stolen crown  
Reject your morality that's fallen down  
Reject your media falsified news  
Reject your patronising liberal views  
Reject your company I reject your boss  
Reject your flag it's a crusader cross  
Reject your army That murders civilians  
Reject your exotic far pavilions  
Reject your nation reject your state  
Reject your offer of a firm hand shake

### **Chorus**

I reject all your tricks and I  
Reject everything you stand for –  
we are born free enemy let me be  
I won't let you deceive me  
My people getting treated like weeta –  
put the sword to you

I Reject your pork I reject your beer  
Reject your sympathy and crocodile tears  
Reject the left pseudo militant shit  
Reject your oath of citizenship  
Reject your thieving foreign polices  
Reject your deceitful devious qualities

Reject your elitest congregation  
Reject your mini skirt liberation  
Reject your concept of integration  
Reject your arse lick no10 invitation  
Reject Tony Blair he's a fucking liar  
Reject your order of the British empire  
I respect the brother Benjamin Zephania  
Reject your hand picked muslims for hire  
Reject your justice it doesn't exist  
Reject your definition of a terrorist

### **Chorus**

Yo I reject what do you all expect me to accept  
shit

Look at the state of the world -  
head of state chase and rape little girls  
Cocaine alcohol flow thru their veins

South America goes up in flames  
Africa bleeds Asian unexplained  
Middles east cries in pain  
Reject your empire  
reject what your saying  
reject your entire set

Have you no shame

## **II**

### **Chorus**

I reject your attempt to stop me talking  
Reject your theories professor dawkins  
Reject your wealth as a sign of status  
Reject your racists and the ones  
that hate us  
Reject your beauty and Barbie doll figure  
Reject the rappers that use the word  
Reject your banks that work on interest  
Reject like the liver that belongs to George Best  
Reject the parameters of your debate  
Reject your worship of United States  
Reject war on terror it's a war on islam  
Reject your attacks on Iraq Afghanistan  
Iran Kashmir Palestine Chechniya  
Reject your polluting oil guzzling cars  
Reject paper money and capitalist forces  
Reject your theft of our natural resources

### **Chorus**

I reject all your tricks and  
I reject everything your stand for.
