

**SHAYKH NIMR BAKER AL-NIMR
HOMMAGE TO THE MARTYR
MAY HIS SECRET BE HOLY!**

*In the heart of darkness of today's Muslim world
is executed*

**SHAYKH NIMR BAKER AL-NIMR
May his secret be holy!**

*a holy fighter for the fundamental rights of Muslims
in the vicinity of the holy places*

MECCA & MADINA

*a sacred and inalienable possession of
all believers in Allâh s.w.t.a.*

*in Arabia of Muhammad, s.a.w.a.
the last Prophet to all the worlds*

*Who ever was a Muslim if only for a moment is in agreement
about authenticity of the hadith/tradition*

Of Prophet Muhammad s.a.w.a.

*may blessing and peace upon him and his kin!
which reads:*

**"THE SCHOLARS ARE THE HEIRS OF THE PROPHETS!"
AL'ULAMÂI - WARATHATU'L-ANBIYÂ'I**

*So may holy be the sacrifice of
SHAYKH NIMR AL-NIMR
and all true martyrs*

*whose names are arrayed on the chain
around the neck of today's civilisation*

whose time is running out

without it's even being aware of it.

Therefore, let the rattling music of its funeral start!
