**IN TONE WITH THE BEYOND  
- JACQUELINE DU PRÉ**

*The final studying year, 1969th. Zagreb. The Student Campus on Lascina. One, God knows from where obtained gramophone, and the student collection of gramophone records, acquired, just like books, at the expense of the student's (concave) stomach. Part of the collection miraculously survived all later communist police raids, and war shelling of Sarajevo home (1992.). Among the survivors, here is one:*

*HAYDN: Cello Concerto in D, Op. 101*

*MONN: Cello Concerto in G minor*

*JACQUELINE DU PRÉ*

*LONDON SYMPHONY ORCHESTRA / SIR JOHN BARBIROLLI*

*Valda Aveling, harpsichord*
