

**VITTORIO ARRIGONI, RESTIAMO UMANI**

*Just as you said, dear friend of humans, Vittorio Arrigoni,*

**GAZA, RESTIAMO UMANI / STAY HUMANS!**

*This, I suppose, can be done,*

**O FRIEND OF ALL HUMANS,**

*not but by a human!*

**Quote:**

*"Vittorio Arrigoni, the Italian peace activist whose passion for helping the Palestinian people, led to his death. He moved to Gaza in 2008 to work for the International Solidarity Movement. He was kidnapped and killed by a Salafi group\* (\*read Mossad) in April 2011. On April, 14th 2011 Vittorio Arrigoni was abducted in Gaza. His kidnappers released a video of Arrigoni and demanded the release of Salafists detained by Hamas. The following day Arrigoni was found dead by Hamas security forces in a house in North Gaza.*

*From this interview by Al Jazeera English:*

*"I don't want to be buried under any flag. I want to be remembered for my dreams. When I die one day, perhaps in a hundred years, I'd like my gravestone to quote Nelson Mandela:*

*«A winner is a dreamer who never gives up».*

*Vittorio Arrigoni. A winner".*
