## MORIBUND

*Bismi'llâh*

... when a being cringes in the beak of time  
so, can neither go back into silence  
in an already is  
the belly of the past  
nor forward into a sound  
into a not yet  
into the next instant

but only into:

interspace  
intermediate time  
into hush  
into Barzakh!

Into the Secret of secrets!
